

In the beginning...

Our school was founded in 2006 by a group of Christian parents, teachers and church leaders who love the Lord, and desire for our children the type of education that was once the standard in America. Providing what secular government schools cannot, we offer a great academic program in a safe and secure setting.

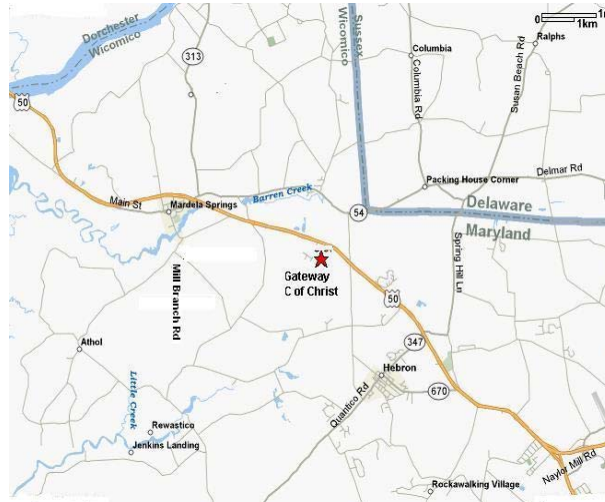

Our students are happier, more focused and better able to choose the right path in an increasingly confused world. Proficient in computers and technology, our graduates carry with them the special gift of Biblical learning and love for God and His son Jesus Christ, much like our Founding Fathers received.

EDUCATIONAL PHILOSOPHY

The mandate for Christian education comes from God's command that children are to be taught to love God, and from the Biblical teaching that parents are responsible for the total education of their children. Parents are commissioned by God to "train up a child in the way he should go," and are promised that "when he is old, he will not turn from it." (Proverbs 22:6).

In order for our students to achieve academic and personal excellence, and in accord with our philosophy, it is the objective of **Barren Creek Christian Academy** to:

- Provide Bible classes for all students
- Maintain an engaging curriculum that educates and prepares students for success
- Provide a safe, enjoyable environment conducive to learning
- Provide stimulating educational field experiences
- Schedule weekly Chapel
- Employ qualified and capable staff and faculty who are Christians
